Insights on ACORD Research and the Future Industry

On a recent trip to Singapore for the DXC Connect Insurance Executive Forum, ACORD CEO Bill Pieroni sat down with *Insurance Business Asia* and its Corporate Risk channel to discuss his thoughts on key areas of ACORD research and industry trends. Bill spoke about the accelerating pace of technological change in the industry, how artificial intelligence will transform insurance, the importance of data standards, and more.

Industry News

Underwriting Workbenches and the Ecosystem Imperative

“One-stop shop” platforms like underwriting workbenches are fundamentally altering the way the industry does business - but insurance stakeholders must be prepared to adopt them. ACORD published an article in *Insider Engage* on this powerful technology, highlighting best practices for implementing the solution and how ACORD is streamlining the process.
