ACORD Industry First Event Features Updated Digital Maturity Research

Join us this Thursday for an ACORD Industry First event on the ACORD Insurance Digital Maturity Study. ACORD CEO Bill Pieroni and Insurance Industry Executive of Microsoft, Jonathan Silverman, will reflect on the findings of this study as well as share insights and imperatives for successfully executing digital strategic options. Register now to hear more about this industry-leading research, from experts in the field.
Registration Is Open for ACORD Connect!

ACORD Connect, our annual member appreciation event, is coming up on October 27. Register for this virtual event to hear from thought leaders and key influencers from various companies and roles across the global insurance industry. The 2022 ACORD Awards will also be presented at ACORD Connect.

ACORD Releases New Digital Maturity Paper

This year’s edition of the ACORD Insurance Digital Maturity Study is now available! The study seeks to understand how technology is currently being deployed across the insurance industry, as well as discover the connection between the strategical and tactical components of IT spending and value creation. It contains updated data and insights for insurance stakeholders, current as of June 2022.
Engage the ACORD Community

ACORD sponsorship packages offer members and non-members the chance to promote their organizations and support the future of insurance. Engage with the ACORD community of more than 36,000 members and participating organizations around the world through a variety of opportunities.

ACORD Awards are given annually to individuals and organizations throughout the insurance industry for outstanding achievement in ACORD implementation and advocacy. An ACORD Award is a prestigious honor, recognized throughout the insurance industry worldwide. Nominate yourself or any deserving party for an ACORD Award, any time between now and September 9.
ACORD in the News

It's been a busy month in ACORD news! ACORD CEO Bill Pieroni was featured in Insurance Business Canada and Insurance Business UK as part of the magazine's Leaders' Series. ACORD and ACORD Solutions Group leadership penned articles in Insurance Day and Insurance Thought Leadership, respectively, and ACORD made headlines in several other industry publications including Insurance Edge and Reinsurance News.

There’s Still Time to Join the Driving Change Study

The Women in Insurance Initiative continues to invite companies across the insurance industry to join its Driving Change data study. The study seeks to understand the state of women in insurance, so that we can turn these fact-based insights into action and close gaps for women in the industry.
The Future Is Bright for the London Market

Technological innovation and industry collaboration are key to the transformation of the London Market. Chris Newman, ACORD’s Managing Director - Global, wrote for Insurance Day about the significant change taking place in the London Market and the important role ACORD is playing in the future of the industry.

Congratulations to ACORD Board Chair, Robert Kelly!

Robert Kelly, Managing Director and CEO at Steadfast Group Limited, and ACORD Board Chair, was recently named a member of the Order of Australia (AM), announced in the Queen's Birthday 2022 Honours List. We join the industry in congratulating Robert Kelly for this prestigious award, given in recognition of his significant contributions to the insurance industry and community.
ACORD recently updated its Forms Portal with a new mass download feature that will support increased efficiency for participants. ACORD Forms subscribers can now select multiple forms at once for download, streamlining the process of accessing and using ACORD Forms. Forms participants can select as many active forms as they need, and all selected forms will download into a zip file.

Upcoming Next-Generation Digital Standards Ballot Review

Join us for the ACORD Next-Generation Digital Standards v1.5.0 Release ballot review webinar on June 30 at 10 AM Eastern. The webinar will provide an in-depth review of the release's key components, timeline, and voting ballot process. All ACORD members should attend to learn about the newly suggested Standards Enhancements.
ACORD launched the ACORD Standards Voting Application to streamline the voting process for members. ACORD members can now vote on Standards Releases using their acord.org credentials. This new application is accessible only to eligible ACORD Members to vote on applicable Standards Releases. Links to vote on specific releases will be included in the regular voting update emails.

Discover the Next Generation of Insurance Talent

The ACORD Insurance Technology Career Center is a hub for job opportunities with companies on the cutting edge of insurance technology. Job seekers can post their resumes, apply for jobs, and receive job alerts when new positions are available. Employers can also join the Career Center to post jobs and search for talent across the spectrum of experience and education.
St. John’s University Hosting RIMS-CRMP Prep Virtual Workshop

The Tobin Center for Executive Education at St. John’s University is offering an online, instructor-led course to prepare professionals to sit for the RIMS-CRMP exam. The course takes place from August 3-4 and is designed for staff, managers, directors, and executives across all industries, with the goal of raising awareness of risk management issues and making participants more valuable employees and risk managers.
