New ACORD P&C Standards Tool: AL3 Hierarchies Online App

ACORD Releases Digital Tool for Generating Dynamic AL3 Hierarchies

ACORD recently launched the AL3 Hierarchies Online application for users of the P&C AL3 Standards. The new resource enables users to generate digital, customizable hierarchy diagrams for AL3 transactions. This latest digital asset joins a portfolio of new and enhanced ACORD Standards tools and resources, including the Online Standards Voting Application, Online Help Files, and Standards Training Materials across all lines of business.
