ACORD News

New Case Study Shows Benefits of ADEPT

Through integration with ACORD Solutions Group's ADEPT, global reinsurer SCOR realized significant time and cost savings benefits including improved turnaround times, enhanced data quality, and a reduced manual effort to process claims transactions. SCOR's leveraging of ADEPT has benefited Ruschlikon participants in particular, as it streamlines interactions for ACORD GRLC-enabled partners who transact with stakeholders outside the Ruschlikon community.
