[REGISTER FOR ACORD CONNECT](#)

ACORD Solutions Group launched the ADEPT Portal to enhance access to ADEPT throughout the global (re)insurance community. The portal is a service layer tailored to users of ADEPT for Global Reinsurance & Large Commercial accounting and claims, and it allows stakeholders to connect via their preferred channels and interact with a broad variety of senders and receivers. Several users have already connected via the ADEPT Portal, including SCOR, Echo Re, and others!
