FOURTH QUARTER 2019

FEATURED NEWS

MākuSafe Announced as 2019 ACORD InsurTech Innovation Challenge Winner

MākuSafe was announced as the 2019 ACORD InsurTech Innovation Challenge (AIIC) winner at ACORD Connect in Boston this year. MākuSafe is an Insurtech SaaS/Data & Analytics company that seeks to improve worker health, safety, and productivity while reducing worker compensation claims and mitigating workplace risks.

The other finalists included:

- **Protosure**, a no-coding SaaS eCommerce solution for any insurance product line, allowing users to rate, quote, issue on multiple sites simultaneously.
- **Riskbook**, an online platform where brokers can easily share their risks with a worldwide audience of underwriters, allowing brokers to have access to a large pool of capital for their clients and underwriters to take control of their deal flow and grow their premium income.

The contestants initially competed in regional semifinals in Chicago, London, and New York, where their live pitches to the panel of judges were evaluated based on ingenuity, impact, applicability, and quality of articulation.
