

ACORD INSURTECH INNOVATION CHALLENGE

Formed in 2015, the ACORD InsurTech Innovation Challenge (AIC) highlights the innovative work of emerging startups aimed at transforming the insurance industry. AIC contestants have the opportunity to pitch ideas for technology, operations, and process improvements. Their innovations have the potential to impact insurers, distribution channel stakeholders, and technology providers. By sponsoring our event, you have the chance to participate in a collaborative effort to transform the way the insurance industry does business, interacts with new policyholders and partners, and constructs the next-gen customer experience to ensure a prosperous future.

AIC sponsors will have access to:

- Key decision makers from top insurance carriers, brokers, and agents
- Insurance innovators across all lines of business, investors and venture capital partners, technology startups, and industry mentors
- Targeted marketing and exposure through video and social media to help you reach an audience relevant to your business goals

Contact us at sponsorship@acord.org or (845) 535-6471 to learn more about our offerings and custom package opportunities.
