

ACORD Forms Notification Service January 2018 Bulletin

ACORD P&C and Life/Annuity/Health Form Changes and Additions

The following pages include both a list of new and recently revised ACORD forms and an Explanation of the Changes made.

Beginning in 2013, we made an enhancement to our filing and forms release processes. Whenever possible, new and revised ACORD forms will be made available one to six months in advance of the form effective date. In these instances, companies will have this additional time to implement the forms into their systems before the current versions are replaced. Both the current versions and the revised future effective date versions will be found on the Download Forms page at www.acord.org. The effective date included on the footer of all forms will match the date the form must be used in all jurisdictions in order to ensure compliance with our filings.

Also on the ACORD website on the Forms Download page, there is a menu item listed on the left entitled, **Related Forms**. This file lists Parent forms and their children (the forms that may or should be attached to the Parent form). This file will be updated any time new ACORD forms are added to the current library.

Copies of the forms referenced in this announcement can be downloaded in the formats you need at www.acord.org. To download forms, you will need to “sign-in” as an ACORD member with your user name and password. Once you are signed in, click on the Forms button, and then click on Download Forms to access the ones you need. If you need assistance, a sample of a form, or are an agent / broker who would like to join the Advantage Program, please call Member Services at (800) 444-3341, Option 2 or email us at memberservices@acord.org.

If you do not wish to receive this notification, please send an email to memberservices@acord.org requesting that we unsubscribe you to this Forms Notification Service.
