**September 2022**  
**EXPLANATION OF CHANGES**  
**P&C FORMS**

**Countrywide**

None.

**Statewide**

For this month, revised and new forms are set forth together in this explanation of changes in lieu of a section for new forms and a section for revised forms. Consult the previous pages for the spreadsheet. It seemed to be more clarity in presenting the explanation of changes by state, rather than going back and forth specifically with California.

Please note the Alaska form, the Virginia form, New Jersey forms, the changes to the MDJIA/DCPIF forms and the California forms addressed at the end of the Explanation of Changes.

**ALASKA**

1. **ACORD 62 AK (2022/12)**  
**ALASKA AUTO SUPPLEMENT**  
**EXCLUSION OF NAMED DRIVERS FROM AUTO INSURANCE**  
**COVERAGE DISCLOSURE**

It seems best to treat this as a new form, however please note the following changes are made to the form:

1. New ACORD logo.
2. Change form edition to (12/2022) and added new copyright date 2022
3. Add to the Title of the Form: DISCLOSURE AND ELECTION
4. Add named in place of name for item number 2. On the top of the form.

5. Delete period after following and add “.”
6. Added the following text:
7. You are advised that no coverage is provided for any claim arising from an accident or loss involving a motor vehicle being operated by an excluded driver. This would include any claim for damages made against any named insured, resident relative, or any other person or organization that is vicariously liable for an accident or loss arising out of the operation of a motor vehicle by the excluded driver. Further, if you elect to exclude a driver, the policy may be inadequate to satisfy the obligations of a motor vehicle owner or operator under the Alaska Motor Vehicle Safety Responsibility Act or the Alaska Mandatory Insurance Law.
8. Added the following text:
9. I understand and agree that this Named Driver Exclusion Election shall apply to this policy and any replacement or renewal policy unless a named insured revokes this election.
10. Deleted relative and resident boxes and words... added Date of Birth and fillable fields and lines
11. Added two more rows for name of person to be excluded and date of birth

This form was filed and approved. It is was designed to be compliant with AS §28.20.440 and Alaska Bulletin 98-10 which states in part: “[a]n automobile liability insurance policy that limits coverage for named persons other than as specified in AS 28.20.440(l) must clearly indicate that the policy does not meet the minimum coverage standards of either Alaska's mandatory automobile insurance or financial responsibility laws.”

See Alaska’s Motor Vehicle Safety Responsibility (AS 28.20.440) for more information.

9. **ACORD 61 VA (2023/07)  
VIRGINIA AUTO SUPPLEMENT: ELECTION TO REDUCE  
UNDERINSURED MOTORISTS COVERAGE**

Prior to July 1, 2023, underinsured motorist coverage paid damages due to an insured after any credit of the bodily injury or property damage liability coverage applicable to the insured's damages had been applied. The law was amended to require insurers to provide underinsured motorist coverage that pays any damages due to an insured in addition to any bodily injury or property damage liability that is applicable.

The applicant may elect to refuse this change in your underinsured motorist coverage. This form was created to refuse this change. Consult the statute for more information.
