

An ACORD membership includes a wide variety of benefits. We encourage you to familiarize yourself with all of our offerings – don't let valuable benefits go unclaimed due to lack of awareness!

For a summary of ACORD offerings your organization is eligible for, please visit www.acord.org/privileges.

ACORD STANDARDS & ARCHITECTURE

Member Benefits

Member-only **ACORD Standards** increase the efficiency, speed, and reliability of data exchange.

Members receive complimentary or discounted access to the **ACORD Reference Architecture**, an enterprise architecture framework for insurance applications.

Standards access also includes **Implementation Guides & Supplements** across all lines of business.

RESOURCES & SERVICES

Member Benefits

Members receive full access to the **ACORD Research Library**, featuring industry-leading business and technology insights.

Members receive complimentary or discounted **registration to ACORD Connect**, our annual conference.

ACORD provides **Regulatory & Compliance Services** on behalf of its members.

Developers can use the **ACORD Test Harness** to test, validate, and certify proper message implementation.

Subscribe to our quarterly newsletter, **ACORD on Q**, to stay up-to-date on the latest news from the ACORD community.

PARTICIPATION & IDEA-SHARING

Member Benefits

ACORD members **collectively participate in Standards Development & Governance**, shaping the future direction of the Standards and the industry.

Nominate yourself, your organization, or any deserving party for an annual **ACORD Award**.

Claiming your **ACORD Credentials** allows you to showcase your ACORD membership, awards, achievements, and certifications.

There are many opportunities **to volunteer with ACORD**, including project-based groups and committees, speaking engagements, and educational support.
