Revised Forms

Montana's Insurance code provides that rates for liability, bodily injury or collision coverages of a motor vehicle insurance policy must provide for a premium reduction for a member of the Montana national guard who is an insured operator of a covered nonmilitary vehicle and who has successfully completed a defensive driving course. See MT ST § 33-16-230 for more information.

ACORD's personal automobile insurance applications were revised to reflect this state-specific statute.

The following two forms were filed and approved.

Please be sure to update your library with the following form.

**3. ACORD 61 VA (2023/07)
VIRGINIA AUTO SUPPLEMENT**

We have revised this form and urge membership to use this revision. The election to reduce underinsured motorist coverage was changed to improve clarity to read as follows:

I ELECT TO REDUCE ANY UNDERINSURED MOTORIST COVERAGE PAYMENTS BY THE BODILY INJURY LIABILITY OR PROPERTY DAMAGE LIABILITY COVERAGE AVAILABLE FOR PAYMENT.

This is an R2. Please update your library with this form.

We will be making changes to the Virginia Auto Application and the Auto Application Section (ACORD 90 VA and ACORD 290 VA).

Please review VA Code Ann. § 38.2-2206 for more information.

We appreciate the feedback on this form.

NY UPDATE:

We are aware of legislative changes made to New York's Auto law concerning spousal immunity, amending NY INS Law §3420(g). In short, the statute is amended to provide that all auto policies are to include "supplemental spousal liability insurance", unless the insured declines and refuses this insurance.

We are following NY Senate Bill 833 which, in part, amends the effective date of the legislation. The Department of Financial Services has advised ACORD that they are working on a declination form. We will follow, of course, for its release and any further guidance. In the interim, should you have any questions, please do not hesitate to contact us.
