**ACORD NOTES:**

**VIRGINIA UNDERINSURED MOTORISTS COVERAGE:**

Virginia law has been amended to require insurers to provide underinsured motorist coverage that pays any damages due to an insured in addition to any bodily injury or property damage liability that is applicable to the insured's damages.

ACORD released 61 VA for applicants to elect to reduce underinsured benefits pursuant to amendments to VA. Code Ann. §38.2-2022 (see 2022 Va. Acts ch. 308).

We are evaluating the Virginia ACORD auto application forms to evaluate the treatment of this election on Applications. Should you have any questions or comments about this please don't hesitate to contact us at ACORD.

**NY UPDATE:**

We are aware of legislative changes made to New York's Auto law concerning spousal immunity, amending NY INS Law §3420(g). In short, the statute is amended to provide that all auto policies are to include "supplemental spousal liability insurance", unless the insured declines and refuses this insurance.

The Department of Financial Services has advised ACORD that they are working on a declination form. We will follow, of course, for its release and any further guidance. In the interim, should you have any questions, please do not hesitate to contact us.
