Why Insurers Should Care About Vendor Merger Mania

With 10 insurance IT mergers announced so far this year, compared to 11 for all of 2014 and 10 in 2014, it seems safe to say that mergers and acquisitions in the insurance technology space are on the upswing.

Why Insurers Are Winning At Big Data

If there were a competition for breathless hype in technology, big data would be the current champion - there's even a Brooklyn-based band by the name. And though the phrase is ubiquitous in boardrooms and IT departments across categories of companies, the insurance industry is in many ways taking the lead in getting real business value from the volume, velocity, and variety of massive datasets.

ACORD2015

Business. Technology. Standards.

2 - 4 NOVEMBER
BOCA RATON, FLORIDA

www.acord.org

ACORD Insurance Innovation Challenge

June 18th, 2015

Location: Pearl River, NY

Welcome to ACORD's exciting new event - the ACORD Insurance Innovation Challenge. The Challenge is the first and only insurance-specific technology and innovation competition. It is open to individuals or organizations of any size, from anywhere in the world, whose new ideas will change the way we do business.

ACORD Forum Southern Africa

July 23rd, 2015

Location: Johannesburg at the Protea Hotel Fire and Ice! in Melrose Arch.

Network with your peers from the Southern Africa region. Share your challenges with experts from top companies, contribute to discussion about the future of the insurance industry and help influence its direction.

ACORD2015

November 2-4, 2015

Location: Boca Raton Resort, Boca Raton, Florida, USA

If you've attended the ACORD Implementation Forum in the past (and even if you haven't), you'll want to attend ACORD2015. It's everything you expect from a flagship ACORD event. And more.
