### ACORD Announces Insurance Innovation Challenge Finalists

A live audience will help the judging panel decide upon the first-ever Innovation Challenge winners during the ACORD2015 event this November. ACORD, a global provider of insurance data standards, business and technology leadership, is pleased to announce 12 finalists who will compete for this year's top prize in the ACORD Insurance Innovation Challenge.

## Join Our Advisory Committee

We're excited to announce that ACORD is spearheading an important new industry initiative: Standardized Business Processes. ACORD will now offer certification for process-based implementations across all programs, bringing greater value and recognition to the utilization of Standards. And you can take part in guiding our progress!

## ACORD Southern Africa: It's Almost Here

The date is set, and we hope to see you this year at ACORD Forum Southern Africa. The one-day, FREE event on ACORD Standards and how they can help your business will take place on July 23rd in Johannesburg at the Protea Hotel Fire and Ice! in Melrose Arch. Topics include the ACORD Reference Architecture (Framework), Short Term and Long Term Standards and Implementation Discussions. The format will be different with general sessions and roundtable discussions covering specific topics.
