

ACORD Forms Notification Service December 2014 Bulletin

ACORD P&C and Life/Annuity/Health Form Changes and Additions

The following pages include both a List of recently revised ACORD forms and an Explanation of the Changes made.

Whenever possible, new and revised ACORD forms will be made available one to six months in advance of the form effective date. In these instances, companies will have this additional time to implement the forms into their systems before the current versions are replaced. Both the current versions and the revised future effective date versions will be found on the Forms Download page at www.acord.org. The effective date included on the footer of all forms will match the date the form must be used in all jurisdictions in order to ensure compliance with our filings.

ACORD has added an additional file format to the eForm library of forms. Added to the eForm zip file for the March month end release is an Acroform pdf file. This format is compliant with v1.4 of the Adobe PDF specification and uses the Acroform features of the specification to represent the interactive form. In particular this differs from the other formats ACORD currently provides by not using any XFA (XML Forms Architecture) features. In some areas, an Acroform is not as feature-rich as an XFA based form (such as the calendar), but will probably have improved compatibility with third-party software designed to work with PDF forms.

Copies of the forms referenced in this announcement can be downloaded in the formats you need at www.acord.org. To download forms, you will need to "sign-in" as an ACORD member with your user name and password. Once you are signed in, click on the Forms button, and then click on Download Forms to access the ones you need. If you need assistance, a sample of a form, or are an agent / broker who would like to join the Advantage Program, please call Member Services at (800) 444-3341, Option 2 or email us at memberservices@acord.org.

If you do not wish to receive this notification, please send an email to memberservices@acord.org requesting that we unsubscribe you to this Forms Notification Service.

Explanation of Changes 12-24-2014

Throughout this past year a large number of forms were released with a future edition date of 2014/12. Effective December 1, 2014, all of those forms will become the current editions. Many of those forms were filed on your behalf with state regulators. The older editions will no longer be compliant. If you have not already started to plan to implement these forms, you should do so as soon as possible.
